Children bring gifts on Jewish Child's Day

January 1966

Women's Zionist societies throughout the country are renewing their interest in Jewish Child's Day. Many celebrations have already taken place or will take place in the near future. The children are delighted in being able to contribute their share to help their counterparts in Israel.

A grand evening's entertainment was provided at the function held under the auspices of the Rustenburg Women's Zionist League. A programme of songs and dances, performed by the younger children of the community, made this a memorable evening.

Mrs. Chana Kramer, assisted by Mrs. Rita Sonnenberg, organized and trained the children, and the tributes paid to these two women for their enthusiasm, were certainly well merited. Mr. Rosin and Mr. Cantor (chairman of the congregation), both spoke on the significance of the participation of the children in the upbuilding of Israel.

Mrs. Zelda Rapeport, honorary secertary of the league, proposed the vote of thanks.

The children of Boksburg made their contributions at a function arranged by the local Women's Zionist League, Rabbi S. Barron, his son Morris, and Mrs. Klotz (chairman of the Boksburg United Hebrew Institutions), participated. Mr. Ike Hyman carried out the duties of compere.

At this function leave was taken of Mrs. Minnie Freedman, newly appointed matron of King David High School's Hostel.

Mrs. Maserow, chairman of the League, presided and made a presentation of trees to Mrs. Freedman.

Durbanville Women's Zionists celebrated Jewish Child's Day with a concert arranged by Mrs. [illegible] Goldberg and Mrs. V. Scher.
